## EXECUTIVE SUMMARY

---

*I am a student majoring in Informatics at Universitas Teknologi Digital Indonesia. I am very interested in data. This interest made me learn and try to deepen data science. I can also read spreadsheets and data easily and can collect data. Apart from that I also use data to tell stories where I harness the power of data to compose interesting stories and help solve problems, improve work processes, and plan next steps.*

*I am a hard worker, never give up, have high ambition and enthusiasm, and are disciplined towards time. I can also work individually or in groups.*

**Interest: Data Science, Data Analytics, Computer, Technology and Information**

## EDUCATION
